

Health Career Photography

The Regional Online OLT shall be a 30-question written, multiple choice test composed of easy, moderate, and difficult questions from the resources below. There will be a time limit of 60 minutes. The written test will be given during the OLT window of November 25 – December 6, 2019.

The test items shall be randomly selected from the references below. No study lists will be provided. The official references for the test shall be:

- Health Career Photography Guidelines (40% of test)
