### • Hotel Lottery for Westin La Paloma

The Westin La Paloma Resort and Spa is the conference hotel for the 2019 Arizona HOSA Spring Leadership Conference. The two overflow hotels will be the Westward Look and the Embassy Suites. If you are staying overnight, you must stay at an approved conference hotel to be eligible to have your students compete.

Please take a moment to review the information below.

### **Lottery Process for Westin La Paloma**

In order to help with the hotel reservation process and to avoid the overwhelming of the hotel reservation system, and our website, we have created a lottery drawing for the Westin La Paloma. This means each chapter will have to complete a form to let us know how many rooms they will need. Once the deadline closes for this form, we will draw school district names and fill our room block at the Westin La Paloma. We will let everyone know once the block is full and we will post the links for the overflow hotels online. Those that were selected for staying at the Westin La Paloma will receive the link to book rooms at the Westin La Paloma. We will be monitoring closely the reservation list from the hotel to make sure chapters are only booking the rooms that they signed up for.

Each chapter will be placed at the same hotel as their whole district. Chapters will be able to "opt-out" of the lottery.

Below is the process and dates for the lottery. Please carefully review and make sure all items are completed correctly.
