Submissions will be accepted until March 31.

Check out our website at azhosa.org

For additional information, call (602) 228-5281 or email elizabeth.carnesi@azed.gov

VIRTUAL FALL LEADERSHIP PLATFORM

CALLFORPRESENTERS

Thank you for your interest in participating in the Arizona HOSA Fall Leadership Platform! With COVID-19 and schools restricting field trips, extracurricular activities, and other activities, we have had to get creative with how we conduct our conference, thus creating our Fall Leadership Platform. This will look different from our traditional conference where students will join for live sessions. We are asking that you pre-record sessions that would want to present in-person at the Fall Leadership Conference.

We invite you and your organization to present workshops relating to your area of expertise. Our HOSA members are passionate about being future health professionals and enjoy learning from our presenters. We ask that presentations fall into one of the following subjects: college readiness, career exploration, leadership development, or community partnerships. We also always want to work with our partners to explore new areas as well, so if you have a suggestion, let us know!

In previous years, our Fall Leadership Conference is our largest annual conference with over 3,000 members in attendance. Because of the virtual format this year, we anticipate our reach to be larger. This provides your organization the opportunity to reach students who are future employees and leaders for your organization. We are excited to explore partnership opportunities and presentation ideas with your organization. If you have multiple presentation ideas, we're also more than happy to accept them to disseminate to our members and teachers.

If you have any questions about this opportunity or if your organization would like to help in sponsoring this platform or another conference, please reach out to the Arizona HOSA State Advisor, Elizabeth Carnesi, by phone (602) 228-5281 or by email elizabeth.carnesi@azed.gov

We look forward to working with you!

Elizabeth Carnesi
